EDITOR: **Crema** – Fuck The `Sign – up`

Man, just to let y'all know how I feel about the sign-up routine on **FUCKDAS** and I think that I speak for everybody out there.

**I FUCKING HATE IT!** It gave me a headache for a few days, just after starting promoting the site on polish sector. I've got a bunch of messages from 'angry-as-fuck' people regarding this.

Good god the site admin disabled this function because I was about to massacre this mofo ;) and not only me. I mean, if someone wants to read our brain droppings they should be able to do it without registration form, just straight ahead, with no obstacles to overcome.

**SO "SING UPS" FUCK YOU, GOD BLESS YOU, GOOD NIGHT!!!**

This broadcast was brought to you by your favourite editor, back at home with a pointed gun to his head by a crazy reader who was mad as hell, because he couldn't get his daily dose of the one and only **FUCKDAS**
