You will notice sooner or later that I don't give a shit about politically correctness and complaints about this. I also may sound sometimes racist but I will come to that later.

Fact is I don't give a fuck like my big hero on the left. Nobody gives less a fuck than Bush, but I will try. Some of you gonna be shocked about my stuff but all others will have a lot of fun. Time is short, as my posts, so folks out there be patient
